REGARDING: *Logo for the Centenary*

Dear Confreres,

We thank the Circumscriptions that have sent us some proposals of the logo that was solicited by the CTIA with a letter of 7 May 2013.

The reason for creating just one logo, to be used during our entire jubilee year 2013 – 2014, is to celebrate the 100th anniversary of foundation of the Society of St. Paul.

The logo chosen by the General Government is easy to read and understand, reflecting the universality and the dynamism of our Pauline Mission and can have its applicability also in the small format.

It is recommended that it be used, as far as possible, on all products published by ST PAULS from 20 August 2013 whose lifespan, however, should not exceed 20 August 2014.

Among the various proposals that have reached us, we chose the logo that is being shown here.

All the files were recorded as follows:

- Within each folder you will find the logo in each language. The files ending by **.ai** are in the program **Illustrator**.
- There is a PDF file so that it can be read on every computer.

Fraternally yours in Christ our Master,

D. Vincenzo Vitale
